VOLUME 1

"SO NINI NA NINI AWAKENING ABANTUS"

Are you surprised, stunned, with disbelief? If you are, we're not! After many prayers, research, and consultation, the African Universal House of Worship, Inc., aligned closer to the creator of heaven and earth, and further distance from Christian and Hebrew faith and other European religions. We've turned back to the relationship with our ancestors had with their creator, culture, and heritage., whose name is SO NINI NA NINI.

We'll be launching new and updated websites very soon and some with a different web address. To make information more accessible, all will be connected to each other. For those of you not having web access will send a copy of the new web home page.

Before we go any further, lets provide you with more context. I'm sure you've asked yourself, what does this have to do with anything? The answer is to help you understand and appreciate the mercy, goodness, and patience of SoNINI NaNINI to wake up his people at an appointed time to

return to Him and to the land of our ancestors. We did not know his name because it was removed and replaced with other names and titles within the bible.

As previously stated, THE MOST HIGH had his own time when wake up his people from being "dry bones" (Ezekiel 37: 1 – 14) Unknown to many of us here at AUHOW, in late December 2022, leaders of "The Program experienced a spiritual "Awakening" by attending Black Reeducation TV presented by Umdala Nkosi Zoonadaah1. We always knew we are to go back to Africa, however, but not with our lives failing to keep the covenant, the feasts, and holy days; and above all, serving pagan gods, especially Jesus. We returned to the savior of our ancestors who knew him and there are some alive today knows him. He looks like us and made us out of his own image and likeness. (Revelations 4:3) We are an organization with a purpose and mission started by the late Princess Laura Adorka Kofi (Koffey), also known as "Mother Kofi". It was a mission unknown to many, yet, sourced from biblical scripture (Jeremiah 29:14, Ezekiel 11:17, 30:24, 36:24,) For it was So NINI Na NINI's doing to place her as a token among us, and eventually reveal himself in the latter days (Isaiah 54:8 and 1 Baruk 2: 30 -35)

Because The Program was never given a formal name, we decided to give it a name and to register this name to ensure the name stands above all other names and deities. We are within the awakening just as Black Reeducation TV and others who keep His commandments and observe the feast days in accordance with the time and season in the holy land, Jerusalema (a/k/a today as Johannesburg located in South Africa. South Africa is the land of Juda. Stay Tuned!

Therefore, this month, the Program was officially named, SO NINI NA NINI AWAKENING ABANTUS! The next step is to rename the organization to match the brand and banner. We're breaking out to spread the news! "Let it be known, that if you call on him and turn from your wicked ways, ye shall be saved. However, if any Bantu, ministers, or other persons are wicked and forget to worship shall be judged along with the world. The nations shall be judged and turn into hell that forget SO NINI NA NINI. If you want to know if He is real, ask Him...for He will answer!

STAY TUNED1 (HLA UMAMELE)
